15	ORDER				
16	Presently before the court is the matter of <i>United States v. Cooper</i> , case number 2:07-cr-66-				
17	JCM-GWF.				
18	On March 23, 2012, the Ninth Circuit issued an order vacating and remanding to this court.				
19	(Doc. #93). The Ninth Circuit had previously issued a certificate of appealability to determine				
20	whether this court "erred in summarily dismissing [Cooper's] 28 U.S.C. § 2255 motion as				
21	procedurally defaulted and on the merits without first providing [Cooper] with notice of the default				
22	and an opportunity to respond and/or requiring a response from [the United States]." (Doc. #93).				
23	The order vacating and remanding included instructions that the United States "be required				
24	to respond to [Cooper's] claims and [Cooper] be afforded the opportunity to respond to the argument				
25	for dismissal of some of his claims due to procedural default." (Doc. #93). The order on mandate				
26	has now been entered on the docket. (I	Doc. #96).
